Communicating in Spanish

Fridays July 14, 21, and 28th 1:00-2:30

Goals for this 3 week series:

- ❖ To learn to analyze the essentials in communication
- ❖ To learn common phrases needed in a variety of predictable situations and circumstances
- ❖ To learn pronunciation
- ❖ To learn relevant cultural information
- ❖ To learn *how to learn* a language

What to bring:

Paper, pencil, phrases you would like to learn - and a desire to have fun with language!

Notes:

- ❖ These sessions will build on one another, so the best way to get the most out of the series is to plan to attend all three.
- ❖ A minimum of three participants is required, or the series will be dropped.

Instructor: Kae Cameron, BA Spanish, 17 years teaching Spanish to teenagers and adults.
